We are happy to present this fantastic ground-floor bungalow located in the well-known Torretas III development in Torrevieja. The property consists of 2 bedrooms, an open-plan kitchen, 1 bathroom with a shower, a living-dining room, a small 8  $m^2$  solarium, and a large 32  $m^2$  paved garden. The property has been recently renovated in a modern style. The community has a communal pool, where you can cool off on the hottest days. This property will certainly not be on the market for long. Shall we schedule a viewing?
